Mayor

November 30, 2022

Dear Residents,

We are very happy to announce that the NJ Department of Transportation has awarded Northvale a grant, in the amount of \$225,680, for a project that we have named Veterans Drive Phase 2. The funds will be used to mill and repave:

1. Veterans Drive, from Legrand Avenue to Rockland Avenue;
2. Legrand Avenue from Veterans Drive to the dead end.

The streets in our Industrial Park tend to be long, wide and expensive to repave. We are more than happy to be using state funds to reduce costs for all Northvale tax payers. This grant award is yet further evidence that the professional grant writing initiative that we implemented in 2007 has been and continues to be a major benefit for Northvale tax payers.

Best Regards,

Pat Marana

Louis DeLisio, Council Liaison for Grants
