

March 2023

Quarterly Newsletter of The Borough of Northvale

The Northvale Mail

Mayor's Message

Northvale's quarterly newsletter has returned! This is part of our effort to increase the frequency and quality of communications with residents. You can expect to see more enhanced communications including a revamped website, greater social media presence, more events where the Mayor & Council are present and electronic meeting access.

We want to hear from you. If you or a loved one has achieved something truly extraordinary or reached an incredible milestone, let us know about it. Honoring our residents' achievements is the least we can do.

You can always reach out to me, our Council members and our Municipal Clerk. Contact information is on our website and in this newsletter. Thanks for the opportunity to serve you.

Joseph E. McGuire
Mayor, Borough of Northvale

New Library Director and Renovations

New Library Director, Lauren Magielnicki, began her tenure in Northvale on March 6th and we are excited to have her. Lauren received her MLIS from Rutgers University and was the Garfield Public Library Children's Librarian for 7 years. She's been a substitute reference librarian at other BCCLS libraries as well. Lauren's short term goal is to include all organizations stating ***"I want to work together with other groups in the borough and to bring creative programming to the library."***

Renovations continue and are progressing nicely. When complete, the library will have more space and a bright new look. The library remains open throughout the work which should be done in the May timeframe. <https://northvalelibrary.org>

At Long Last, A Seal for Northvale

NJ State Seal

Bergen County Seal

For 107 years as a Borough, Northvale has not had its own seal. Any official publications or uniforms used by the Borough employ either the state or county seals. Council President McMorrow is leading an effort with the Mayor & Council and the Northvale Historical Society to give Northvale its own seal and identity. **A new seal will be adopted and unveiled in the April/May timeframe.** After 107 years, it's about time!

Northvale PD Joins Neighbors App

The Northvale Police Department, in its continuing efforts to keep our community safe, has now joined "Neighbors" sponsored by Ring. This program allows our police to connect with residents by sharing photos, videos and information related to local crime and safety incidents. Content can be uploaded by The Northvale Police Department and you as a user. **You do not need to have a Ring device to join Neighbors.** Anyone with a smartphone can download the Neighbors App for free to receive updates and have the option to post photos or videos. Visit the Northvale PD social media pages on Facebook, Instagram and Twitter for more information.

Ambulance Corps Needs Volunteers

The Northvale Ambulance Corps is in serious need of volunteers in order to keep this service free of charge and response times fast. No prior medical experience necessary. Anyone can join. You can email nvac226@gmail.com if interested. Make a difference in your community today!

Mayor's Wellness Campaign Begins

The inaugural event for the Mayor's Wellness Campaign 2023 was held on March 18th. The "Walk with the Mayor & Council" event featured participating residents walking around the Hogan Park path as well as representatives from our great partners at ShopRite's dietitian office, Hackensack Meridian Health and our own Ambulance Corps taking blood pressure readings. Look for more physical and mental well being events throughout the year and let us know if you want to volunteer to be on the wellness committee! Plus we took some time to celebrate Northvale's 107th birthday which took place on March 15th. ShopRite of Northvale made a fabulous cake.

Let's Get Healthy!

Chamber of Commerce Returns

Samantha Santaniello

President
NVCC

The Chamber of Commerce is back! **It is now the Northern Valley Chamber of Commerce**, expanded to include Boroughs in our area.

Running a business can be lonely and challenging. NVCC empowers owners, providing a network and tools to help businesses face any challenge. They are a valuable resource for members, who are business owners and professionals in the area. They also work with elected officials to help improve the community. If you are a business owner in Northvale, consider being a part of the NVCC network.
