Dear Residents,

Please be advised that the new Borough website, www.northvalenj.org, went live on Good Friday. Anyone trying to navigate to the old website will be redirected to the new site. As with any new system, there is no doubt that a few bugs will have to be corrected. Borough employees will also be uploading several additional documents this week.

We anticipate implementing additional functionality, as required, during the balance of 2022.

Best Regards,

Pat Marana
